

# Ex 10 : Splash Screen & Icon

**Starting date:** @2020년 12월 10일

**Deadline:** @2020년 12월 14일

## Instructions

For this exercise, you will create a launcher icon and a splash screen for your app and add it to the app.

A splash screen is the screen that you sometimes see on the app when it's loading the basic data at the beginning. It often have the logo of the app.

## Objectives

- Create a splash screen
- Create an icon
- Add a splash screens and icons

## Documentation

You don't have to read all the documentation (because it gonna takes a long time) but you can refers to it when you don't know how to do something or when you have issues.

### Splash Screen
